Director, Human Resources
Fusemachines Nepal
Nepal

Dear Sir/Madam,

I'm writing to apply for the position of Machine Learning Engineer for Fusemachines Nepal, as advertised on the merojob.com. I have two years of experience as Python Developer and have a good knowledge of Machine Learning Algorithms, I am keen to learn further new things in this field, and I believe I am great fit for this position.

In your job posting, you mention that you want an individual with the knowledge of Machine Learning concepts and proficiency in designing python applications. I have self-taught experiences in Python Programming language and Machine Learning concepts and also have been working on many small projects.

When I saw the job opening, I knew it was the perfect opportunity to offer you my skills and enthusiasm to work and learn new things. I've included my resume so you can learn more about my educational background and all of my work experience. Thank you for your time and consideration.

Please feel free to email me or call my cell phone at +977 984 009 5075. I hope to hear from you soon.

Sincerely,

Anish Shrestha
